OGBCA - BOARD MEETING MINUTES FROM 7/28/21

Meeting was call to order by Jerry Burnett

Prayer was led by Todd Been

Minutes were read and approved

Emeritus position was taken to the board for a vote. It was passed 23 to 0.
Melody Stewart was asked to form a committee to oversee the filling of this position.

Scott Loe brought up the all state bylaw concerning the unlimited number of all staters. He felt like 4 all staters from one school was too many. Scott Loe and Scott Reed both stated there should be 2 all staters from each school at the most. Jenni Holbrook explained that several D1 players didn't show up to their tryout which forced their hand on the selection of 4 from Anadarko. She stated they were the best players in attendance. Several large school board members also felt for their tryout, two all staters is too much of a limit based on their low turnout. After much discussion, Scott Loe made the following motion:

“Amend the current all state bylaw to say, each school is allowed 3 all staters unless the total number of players in attendance at the tryout is 20 or less.”

Bruce Plunk made a motion to carry this to a vote in the Fall General Meeting.
Brian Lester seconded the motion. The board members carried the motion 24-0.

The meeting was adjourned.
